Update from the Chair

A brief overview of developments since the last meeting, not covered elsewhere on the agenda.

Port Royal Scoping Study Exhibition – Consultants on behalf of STC and EDDC are holding two public consultation events on Monday 26 and Tuesday 27 June from 3pm until 8pm each day. NP has been invited to attend and have a table at the event. Need to agree the arrangements for the NP presence in terms of what we take e.g. pop-up banners, promotional material etc and who will attend from the SG on a rota basis so we can cover the full event on both days.

Update on Q2 analysis – numbers received, progress on analysis etc
