Core Objectives & Emerging Q2 Questions

All the objectives and draft questions for Q2 for each theme have been collated into one document which John Slater has been able to review over the last few days. The aim tonight will be to:

- Obtain initial feedback from John Slater on the document and then using this move into a discussion which identifies:
 - Changes/edits/deletes in each area
 - Any other gaps
 - Best order to realign and/or connect different themes
 - Next steps – i.e. formulating a final draft list of Q2 questions ready for survey design/printing – in line with the Q2 timeline
