8.50 Peter Murphy and Claire Russell give an update on the grant application and the proposed Sustrans piece of research into cycle paths

9.00pm Discuss forthcoming event at Kennaway House, SG members availability and additional invitation suggestions

9.15pm

Dates of meetings up until May 2017. Will add in a June date when I've checked STC a/v. This is in response to the general agreement that we should have two meetings a month from now on. The suggestion is that the first meeting of every month should be a full meeting with general discussion on the current status of the plan and what's coming up. The second meeting to feature on specific themes or policies that need further discussion.
