- DH said the purpose of the meeting was to attempt to get agreement to the way forward, including rewording of policies, following the latest review and feedback from John Slater, in order that the draft policies could be sent to EDDC for initial review and feedback.
- To assist with that process LC, DH and TS had met to review John Slater's feedback and updated the table of policies – printed copies were made available to the group for this meeting.
- The meeting reviewed each policy area in turn with TS recording any changes to policy wording etc which would form the basis of the draft document for submission to EDDC. **Action – TS to update the table of policies following the meeting. These were to be reviewed by LC/DH prior to submission to EDDC and circulated to the group.**
