For information:

District Councillor for Sidmouth not on the Town Council

Dear Sir/Madam,

# Virtual Meeting of Sidmouth Town Council Monday 10 August 2020 at 6.30pm

You are called upon to attend the above meeting where it is proposed that the matters set out on the agenda below will be considered and resolution or resolutions passed as the Town Council considers appropriate. Due to the current COVID-19 situation, the Town Council will meet virtually via the Zoom software platform. This is as authorised by the Regulations set out in Clause 78 of the Coronavirus Act 2020. Please note the start time of the meeting.

Those members of the public wishing to view the meeting or speak on an agenda item are required to register by emailing <a href="mailto:towncouncil@sidmouth.gov.uk">towncouncil@sidmouth.gov.uk</a> at least 24 hours before the start time of the meeting, after which virtual meeting details will be sent out to speakers/attendees.

The Chair of the Council has the right and discretion to control questions to avoid disruption, repetition and to make best use of the meeting time. Individual contributions will be limited to a maximum period of three minutes.

Yours faithfully,

Christopher E Holland

**Town Clerk** 

#### AGENDA

PART 'A'

1 Apologies

To receive any apologies for absence.

2 Minutes

To confirm the minutes of the meetings of the Town Council held on Monday 5-6 2 March 2020.

#### 3 Declarations of Interest

To receive any Members' declarations of interest in respect of items on the agenda.

Note: You must also declare the nature of any personal or disclosable pecuniary interests in an item whenever it becomes apparent that you have an interest in the business being considered.

# 4 Matters of Urgency or Report from the Chair

To consider any items that in the opinion of the Chair should be dealt with as matters of urgency because of special circumstances. (Note: such circumstances need to be recorded in the minutes).

### 5 Exclusion of the Public

To agree any items to be dealt with after the public (including the press) have been excluded. There are no items which the Town Clerk recommends should be dealt with in this way.

# 6 **Public Open Question Time**

In accordance with Sidmouth Town Council Standing Orders Item 1 (d) - (i) Members of the Public are invited to put a question (one per person), to the Council through the Chair (taking no more than 3 minutes each and for a total of 15 minutes). Please note that in accordance with standing order 1(d), a question shall <u>not</u> require a response or debate.

Councillors also have the opportunity to ask questions of the County and District Members during this item whilst giving priority to Members of the public.

(Members and members of the public are reminded to notify the Town Clerk and Councillor concerned of questions to be raised. This arrangement is in place to enable a considered response at the meeting.)

# 7 Police Report

**RESOLVED:** That the Tourism & Promotion Strategy TaFF report be noted.

# 35 Street Trading

In September 2019 Members considered the report of the EDDC licensing manager in respect of Street Trading in Sidmouth. At that meeting it was decided to discuss this further in the Tourism & Promotion TaFF; Councillor Hounsom reported on the meetings that she had convened with festival groups.

**RESOLVED:** That the Council would continue discussions with East Devon District Council and to gather evidence in order to review Street Trading in Sidmouth in the future.

# 36 Air Display 2020

Members were asked to consider maximising usage of the space on The Esplanade created by the annual Air Display.

**RESOLVED:** That the Chamber of Commerce would email their members to enquire whether there was an individual who would be willing to organise an event prior to the air display.

# 37 Matters Raised by Invited Representatives

The following matters were raised by the Chamber of Commerce representatives:

- The Chamber of Commerce raised concerns regarding the impact on businesses of the Coronavirus; members were reporting reduced bookings and many cancellations.
   Sid Valley HELP were co-ordinating support for elderly or isolated individuals who may be affected by the virus. The Chair reported that the Town Council would follow any advice and instructions issued by Public Health England.
- An email regarding the Beach Management Plan was read to members.
- Councillor Barlow was thanked for his attendance at the Chamber of Commerce AGM.
- Jo Butler of Visit South Devon would be the speaker at the Chamber of Commerce breakfast to be held on Wednesday 11 March.
- The Chamber were awaiting confirmation that Simon Jupp MP would attend the May breakfast which would be moved to Thursday 7 May to accommodate his diary.

# PART 'A'

# 38 Appointment of the Vice-Chair of the Tourism & Economy Committee

It was proposed by Councillor Lockyear and seconded by Councillor Barlow that Councillor Hounsom be appointed Vice-Chair of Sidmouth Town Council's Tourism & Economy Committee for the forthcoming year. There being no other nominations, Councillor Hounsom was duly appointed Vice-Chair of Sidmouth Town Council's Tourism & Economy Committee for the forthcoming year.

#### 39 Minutes

The Minutes of the Tourism & Economy Committee meeting held on Monday 9 March 2020 were approved as a true and accurate record.

#### 40 Declarations of Interest

There were no declarations of interest received for items on this agenda.

Councillor Chris Lockyear left the meeting during the following item.

# 41 Tourism & Promotion Strategy TaFF

Councillor Cole, Chair of the Tourism & Promotion Strategy TaFF presented the report of the work carried out by the group so far and asked Members to focus especially on the list of Recommended Next Priorities.

#### **RESOLVED:** That:

- 1. The Tourism & Promotion Strategy TaFF report be noted.
- 2. A small-scale digital visitor survey and handout visitor questionnaire, with competition, be carried out during the 2020 summer holiday period, with a view to conducting a larger scale survey in 2021.

- 3. Ian Barlow and Richard Eley, with input from Deirdre Hounsom and Louise Cole, be tasked with creating an appropriate survey questionnaire format.
- 4. Ignyte's Cognito subscription would be utilised to conduct the survey online and printed copies would be handed out to all customers in shops, cafes, hotels etc throughout Sidmouth.
- 5. The questionnaire would also be included in the Visit Devon newsletter issued by Ignyte Ltd.

# 42 Tourism & Promotion Budget update

Councillor Cole reported the current level of spend and committed expenditure for the Tourism & Promotion budget. Of the original £50,000 budget £42,496 had been either spent or committed, including £3,500 that had been allocated towards the build of the new Live Sidmouth website. This figure would now be moved out of the Tourism & Promotion budget to be shown within the Office Expenses section.

**RESOLVED:** That the Tourism & Promotion budget update report be noted.

# 43 Tourism & Promotion Contract Update

Tina Veater, Ignyte presented an update of the progress of the Tourism & Promotion contract between Sidmouth Town Council and Ignyte Ltd. This included a preview presentation of the layout and content of the new Visit Sidmouth website, which was being prepared for a soft launch on 4 August 2020.

**RESOLVED:** That the Tourism & Promotion contract update report be noted.

# 44 Information Centre Manager's Report & Financial Report

a) Jeff Bailey, Information Centre Manager, reported that access to the Information Centre was reliant on LED and EDDC who owned the swimming pool building and controlled access through the foyer. The TIC had been made fully Covid safe ready for the expected opening date of Monday 6 July; this had then been delayed by government to Saturday 25 July.

However, the Information Centre Manager had been advised by LED that the Sidmouth swimming pool would not be reopening unless the District Council were willing to subsidise LED's anticipated loss of income.

An initial review of the feasibility of using the Jurassic Coast Interpretation Centre as an interim TIC had raised a number of issues/problems that would need to be resolved, so the preferred option would be to obtain access to the LED swimming pool building.

b) The Finance Report for the Financial Year End to March 2020 in respect of the Sidmouth Information Centre had been attached to the agenda for Members information.

# **RESOLVED:** That:

- 1. The Sidmouth Information Centre Reports be noted.
- 2. District Councillors Bickley, Hughes and Manley would raise the issue of obtaining access to the TIC with the appropriate EDDC officers.
- 3. Further discussion between the TIC Manager, Chair of the Council, Chair and Vice Chair of Tourism & Economy would be held endeavouring to discover a means of reopening the Information Centre and/or the Interpretation Centre as soon as possible.

# 45 Manstone Skatepark

Councillor Cole reported on the progress and development of the new Wheeled Sports facility at Manstone Recreation Ground; the concept design was complete, and the Town Council now awaited confirmation of the allocation of match funding from the EDDC S106 Tourism Fund.

**RESOLVED:** That the Manstone Skatepark report be noted.

#### 46 Live Sidmouth Website

Councillor Cole reported that plans for the Council's main .gov website had been brought forward from the Autumn. This resident facing website would be a completely different design to the Visit Sidmouth website, the contract had been given to Zonkey Website Developers who had experience building WordPress websites for Town Councils. A small working group had been set up to take this project forward; members were Cllrs Wright, Evans, Murdoch and Town Council staff.

**RESOLVED:** That the Live Sidmouth website report be noted.

# 47 Blue Flag Beach and Other Future Campaign Ideas

Councillor Cole reported that Blue Flag Beach status had been achieved for Sidmouth.

Other campaign ideas would be discussed under the Post Covid Recovery item on the agenda.

**RESOLVED:** That the Blue Flag Beach report be noted.

# 48 Matters Raised by Invited Representatives

The following matters were raised by Alistair Handyside, South West Tourism Alliance:

- The government's Summer Safe funding campaign was underway with a difficult application procedure; it was hoped that Sidmouth would benefit from their relationship with Visit Devon who were applying for funds on behalf of the Devon tourism industry.
- There would be a 'Covid Guidelines' inspection visit to Sidmouth on Thursday 23 July
  using Dukes and Oakdown Holiday Park as examples; Cllrs Barlow and Cole would also
  be in attendance.
- The restriction of two households/bubbles only able to holiday together was causing problems for accommodation providers in the South West; it was hoped that this PM/Chief Medical Officer ruling would be relaxed in the near future.
- Coach Company Operators were experiencing severe financial difficulties and were concerned that the relaxation of the social distancing rules that had been allowed for air travel had not been extended to travelling by coach.
- The VAT reduction would act as a real financial boost to the tourism economy as there was no requirement to pass this reduction on to customers and it would also apply to forward bookings.
- It was hoped that with live music events beginning to open up that this would increase visitors and enhance the local economies.
- Although much had been done to support the tourism industry for the summer period it was vitally important to encourage visitors to the South West from September through to winter, especially for hotels and guest houses who had experienced the worst impact of the Covid reduction intrade.

The following matters were raised by Sally Mynard and Richard Eley, Sidmouth Chamber of Commerce:

- The Chamber of Commerce had sponsored Sidmouth resident Amy Roles who had created a Sidmouth Scarecrow competition; this had been very successful with many entries and was attracting a lot of social media coverage. It was anticipated that this would become an annual event.
- The Chamber of Commerce had held regular meetings to support local businesses throughout the Covid lockdown and Councillor Barlow was thanked for also attending.
- There had been much positive feedback on the road closure/restrictions to enable socially distanced pedestrian access to the town.

 Although there were concerns that the requirement to wear facemasks in shops and enclosed environments may reduce discretionary browsing and spending it was also hoped that customer confidence would increase over a period of time as we all get used to wearing masks.

# 49 Post Covid Recovery – Opportunities and Challenges and 2020/21 Events

Members were asked to report on the challenges and opportunities surrounding easing of lockdown rules and the running of events in the future. The following projects and events were reported on:

- Red Arrows the 2020 had been cancelled due to the high upfront spend with no security of the event being able to take place. A bigger event was to be planned for August 2021.
- Folk Week although the 2020 had been cancelled early in April the Folk Week board had been raising funding through crowd funding to ensure that the 2021 event would definitely go ahead.
- Science Festival the October 2020 would be held as a 'virtual' festival.
- All Chamber of Commerce events were 'on hold' for the time being with continuous ongoing review.
- There should be good news coverage on the website and social media reporting the fact that Sidmouth born Dominic Bess was playing for the England Cricket Team in the current test matches.
- Other projects mentioned were Manstone Skatepark, transfer of Knowle Parkland,
  Park & Walk scheme from the Knowle car park, DCC flood defence scheme creating
  and amphitheatre performance space, new Alma Bridge opening, S106 money for play
  parks, replanting borders at The Ham, refurbishment of the car park wall at The Ham
  and the Exeter Regeneration Scheme which would lead to additional housing in
  settlements outside Sidmouth where new potential visitors may be found.

### 35 Matters of Urgency and Report

The Chair of the Committee asked Members to consider the planned planting for the Knowle Parkland which was due to be implemented as part of the Devon County Council scheme to create increased surface water flooding resilience. It was also agreed that planting should not prevent or hinder the future extension of the grasscrete car park.

**RESOLVED:** that East Devon District Council's Streetscene team would advise DCC on the appropriate planting mix particularly around the swale area and that this would be the formal response of Sidmouth Town Council. It was also agreed that planting around the amphitheatre and amphitheatre slopes needed to be of hardwearing grasses to cope with audiences walking.

#### 36 Exclusion of the Public

There were no items required to be dealt with under Part B.

# 37 Vehicle Charging Points Project

Members considered the report of Councillor Chris Lockyear detailed below:

# **Origin Plan**

To install 2 charging points in the car park of Woolcombe House as quick win

#### Activity

Contacted

- Chargemaster
- EO Charging
- EV Charger
- Sungift Energy

Some providers were not interested as their business model requires large turnover of users Had site visit by Chargemaster to survey Woolcombe House and Knowle Car Park

- Woolcombe House was not suitable as the Consumer Unit did not have sufficient capacity
- Knowle Car Park Cost estimate of £21,438 (ex VAT) for two 7kW charging units installed
- Also organised for Chargemaster to visit the Royal Glen and Harbour Hotels who were interested in installing charging units – outcome unknown

### **Next steps**

Need a strategic review of location of charging points in Sidmouth in conjunction with EDDC Cllr Lockyear also pointed out that there was a website available which attempted to document the position of charging points in the United Kingdom: <a href="www.zap-map.com">www.zap-map.com</a>
Members agreed that a far more strategic approach to the implementation of charging points in the town and that the Devon County Council survey of users being carried out would be a useful and more accurate way to establish need: <a href="www.devonnewscentre.info/drivers-can-help-shape-devons-low-carbon-future-in-electric-vehicle-questionnaire/">www.devonnewscentre.info/drivers-can-help-shape-devons-low-carbon-future-in-electric-vehicle-questionnaire/</a>

**RESOLVED:** that the results of the DCC survey of electric car users be used as a basis for a more strategic approach to determining need in the Sid Valley.

# 38 Carbon Footprint Project

Members considered the report of Councillor Chris Lockyear detailed below:

#### **Origin Plan**

- 10 week campaign raising awareness of individual carbon footprints starting at the beginning of August.
- Encourage people to measure their carbon footprint and report this to a central organisation.
- Each participant gets a raffle ticket for a prize draw to be drawn during the Science Festival. Significant cash prizes to be awarded (e.g. 1st £250, 2nd £100, 3rd £20).
- Ask individuals how they personally could reduce their footprint and collate these answers.
- Each week take the message on one area (e.g. food, transport, housing, clothing) to
  organisations in Sidmouth who meet regularly (e.g. Churches, Sports Clubs, U3A, SVA,
  National Trust, Women's Institute, Scouts) giving a presentation on how to reduce carbon
  footprint in this area.
- Provide resources in the Library to help people measure carbon footprint and give links to our preferred calculator.

# **Activity**

Project put on hold as a result of Covid 19

### **Next steps**

Review whether cut down version of this plan would be of value at Science Festival

# 39 Biodiversity Group

Members considered the report of Councillor Chris Lockyear as detailed below:

# Sid Valley Biodiversity Group - created June 2020

#### **Aims**

- To understand, preserve and enhance the biodiversity of all of the Sid Valley's disparate habitats through the development and implementation of a local Biodiversity Action Plan,
- To work with the people of the Sid Valley, to educate and inform about local and wider biodiversity issues, and
- To encourage more members of the community to take an active part in conservation and biodiversity enhancement.

### **Structure:**

- Sub-groups responsible for specific stages and areas of the Project:
- Mapping the biodiversity of the Sid Valley: The Investigation Phase (see below)
- Producing a programme of surveys: The Intervention Plan (see below)
  - o Integrating Horticulture into all stages and areas
- Engaging the public through Publicity and Outreach activities, at all stages and areas
- Funding

#### Plan

**Investigation Phase**\_to produce a base line evaluation of current activity and species **Biodiversity Intervention Phase**:

- To develop and document a Biodiversity action plan to preserve or enhance habitats and biodiversity of the Sid Valley and secure funding to deliver the plan.
- To put survey results, plans and reports in the public domain.
- To engage the major land owners.
- To engage volunteers to support the aims including planting and managing habitats

# 40 Litter and Street Cleansing

Members considered an update from Sidmouth Plastic Warriors who had recently declared their disappointment with particularly beachgoers and the dropping of litter in large amounts by temporarily ceasing their clear ups in protest. The Committee expressed their desire for EDDC to increase the number of litter bins available, particularly in areas where these had been removed and to increase general street cleansing. It was agreed that the STC contractors had improved much of the town with regard to weeds but could not be expected cover all areas which were experiencing an increase in littering.

It was accepted that the litter issue was exacerbated by a minority of visitors and residents but that something needed to be done to help keep the Sid Valley tidy. Members were supportive and it was agreed that a renewed campaign to not only help clear up litter but to help re-educate and change people's behaviour was needed.

**RESOLVED:** that a small independent Working Group be convened to help encourage and coordinate the clearing of litter with EDDC and volunteers and to help re-educate and change people's behaviour. Initial Working Group membership to be: Cllrs Denise Bickley and Ian Barlow with Rachel Perram, Jeremy Woodward, Dave Bramley and Richard Thurlow.

# 41 Pedestrianisation / Temporary Traffic Restriction Order Update

Members considered the recently emergency measures put in place by Devon County Council Highways working with Sidmouth Town Council and Sidmouth Chamber of Commerce. It was agreed that the scheme had worked very well so far and that comments from some had been that the scheme did not go far enough. However, it was also acknowledged that the scheme had resulted in a number of negative comments and a huge amount of work for officers to implement. It was agreed that if anything was to be done of a similar nature in future to alleviate parking problems and to improve traffic flow, it could only be effective long term after a much promised and vital comprehensive traffic study of the town was carried out by Devon County Council Highways. Such a study was urgently needed.

A comprehensive and full-scale Traffic Plan had been promised after the completion of the Neighbourhood Plan now long complete, however it was understood that a was not likely to be implemented by Devon County Council in the near future after they had experienced serious problems with the implementation of a scheme in Totnes and due to limited resources. However, it had recently been suggested by the County Council that a 'Round Table discussion' leading to a possibly traffic study could be organised and this was very much welcomed by the Committee.

**RESOLVED:** that Devon County Council Highways be asked to convene a 'Round Table' discussion regarding traffic in Sidmouth as a matter of urgency.

# 42 Items raised by invited representatives

Members noted that Sidmouth Plastic Warriors would be carrying out a large-scale Beach Clean on 18/19 July 2020.

# Internal Audit Report for the year ended 31 March 2020

Dear Mr Holland

I have completed the 2019/20 annual Internal Audit Review in accordance with the Sidmouth Town Council – Schedule of Internal Audit 2017.

This year, due to the Coronavirus pandemic, it has been necessary to undertake a desktop review of the Town Council's accounts as site visits were not appropriate due to social distancing rules. This has meant that it has not been possible to undertake detailed transaction testing on the Town Council's system of financial control. During 2018/9 my internal work identified no significant areas of weakness within the Council's financial control framework. I have sought and received confirmation from the Town Council's finance team that there have been no material changes to the control environment over the past 12 months.

As such, in coming to my conclusion, I have relied upon this statement and testing completed during 2018/9, in these unprecedented times.

As further assurance, I have undertaken a high level analytical review of the key balances within the accounts and can confirm that there are no unexpected movements between the 2018/9 and 2019/20 year end accounts.

Furthermore, I can confirm that the year-end financial accounts are appropriately calculated from the underlying financial records of the Council with appropriate accounting adjustments having been made at the financial year-end.

Overall, the financial control environment is excellently managed and I wish to thank Joan for her assistance and support during the audit process.

Kind regards

Martin Cordy

# **Annual Internal Audit Report 2019/20**

### Sidmouth Town Council

This authority's internal auditor, acting independently and on the basis of an assessment of risk, carried out a selective assessment of compliance with relevant procedures and controls to be in operation during the financial year ended 31 March 2020.

The internal audit for 2019/20 has been carried out in accordance with this authority's needs and planned coverage. On the basis of the findings in the areas examined, the internal audit conclusions are summarised in this table. Set out below are the objectives of internal control and alongside are the internal audit conclusions on whether, in all significant respects, the control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of this authority.

		Agreed? Please choose one of the following		
	Yes	No*	Not covered**	
A. Appropriate accounting records have been properly kept throughout the financial year.	1			
<b>B.</b> This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved and VAT was appropriately accounted for.	1			
C. This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.	1			
D. The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.	1			
E. Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.	1			
F. Petty cash payments were properly supported by receipts, all petty cash expenditure was approved and VAT appropriately accounted for.	1			
G. Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.	1			
H. Asset and investments registers were complete and accurate and properly maintained.	1			
Periodic and year-end bank account reconciliations were properly carried out.	1	-		
J. Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.	1			
K. IF the authority certified itself as exempt from a limited assurance review in 2018/19, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2018/19 AGAR tick "not covered")			1	
L. The authority has demonstrated that during summer 2019 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.	1			
M. (For local councils only)	Yes	No	Not applicat	
Trust funds (including charitable) – The council met its responsibilities as a trustee.			1	

For any other risk areas identified by this authority adequate controls existed (list any other risk areas on separate sheets if needed). Date(s) internal audit undertaken

# **ASH DIEBACK SURVEY for SIDMOUTH TOWN COUNCIL**

Ash Dieback (ADB) is a fungal disease, *Hymenoscyphus fraxineus*, that is likely to kill the majority of the Ash trees in southern England. The Sid Valley has approximately 40, 000 Ash trees, the majority are likely to succumb to ADB in the next few years.

After speaking to the Town Clerk, 6 volunteers (Sidmouth Arboretum & Biodiversity Group) attended a training session with Toby Taylor, the RSPB Nature Reserve Manager for East Devon who also oversees STC land around Fire Beacon Hill. We took as our base the Tree Council publication **Ash Dieback: an Action Plan**Toolkit <a href="https://treecouncil.org.uk/wp-content/uploads/2019/12/Tree-Council-Ash-Dieback-Toolkit-2.0-2.pdf">https://treecouncil.org.uk/wp-content/uploads/2019/12/Tree-Council-Ash-Dieback-Toolkit-2.0-2.pdf</a>

We are proposing that the volunteers undertake a short survey of ash trees on or near Town Council sites. Preliminary enquiries indicate that Long Park might be the main area of concern, but the overall picture is yet to be established. The tree in the picture below is a roadside tree standing on a grass verge managed by STC, what are the legal and contractual responsibilities should a branch fall from this tree? How and when should these responsibilities be activated?

The potential scale of the problem will require a clear plan which is co-ordinated with other levels of statutory authority, major landowners, and individual residents.

Sidford Road, health class 3

Our volunteer group offer to survey and assess ash trees on land owned and controlled by STC to record each tree and its current state. Individual and groups of trees will be entered into a GIS database that will show location, approximate size of tree, its state of health, and the categories of risk. This survey could be extended to cover other areas of significant risk within the valley but outside STC's control.

The trees would be assessed against the **Suffolk County Council Ash Health Assessment System** <a href="https://treecouncil.org.uk/wp-content/uploads/2019/12/Suffolk-Canopy-Description.pdf">https://treecouncil.org.uk/wp-content/uploads/2019/12/Suffolk-Canopy-Description.pdf</a> which divides the trees into four health classes:

- 1. healthy vigorous trees with more than 75% of healthy canopy,
- 2. weakened trees with some degeneration of the tree top shoots, but 50-75% healthy canopy,
- 3. obviously less vigorous trees with only 25-50% healthy canopy,
- 4. trees which are damaged considerably and declining with less than 25% healthy canopy.

Sidford Road, health class 1

Long Park, Ash Tree 1, health class 2

Long Park, Ash tree 2, health class 3

Long Park, Ash tree 3, health class 3/4

It should be noted that it is a general opinion among qualified tree surgeons that trees in classes 3 and 4 are too unstable for workers to climb using rope systems to dismantle them in the orthodox, controlled manner. If trees degenerate to this extent, they either need specialist heavy duty equipment for controlled dismantling, or straightforward felling. The latter could be a problem with a large tree in an urban setting. One possibility is a policy decision to remove trees in class 2 before they degenerate to classes 3 & 4.

The rate of decline of a mature tree is not predictable, trees in classes 1 & 2 may remain largely unchanged for a number of years, but they can decline significantly in a period of months, particularly if they are subject to stress factors such as drought or other fungal invasion such as Honey Fungus, *Armillaria sp.* It may be acceptable to leave class 1 trees for future assessment if they are standing alone, but if individual trees within a stand are found to be in class 1, the prognosis is that even these trees will succumb in the next few years, and it may make economic sense to remove all the Ash trees in a stand. Removing large trees will cause public concern and possibly arouse resistance, and so there needs to be a public information strategy.

The suggestion to remove Ash trees in class 1 might conflict with a search for trees with significant immunity to ADB. While such a search might be desirable, the pressure for the removal of trees in public spaces means it will be better left to woodland trees.

The Town Council has clearly demonstrated their support for more tree planting, and this should increase as the effect of Ash Dieback take hold.

### **Long Park**

Our volunteers took Long Park as a case study because it has high levels of public access close to several large Ash trees which are showing signs of ADB to varying degrees. A record was made of the location and condition of the large Ash trees, as shown below.

9	2/3	50.693562	Parkland grass area, children's play area,	14M
3	2/3	-3.2383101	skate park	14171

One mitigating factor for this site is that the trees are in a line of mixed species and this will reduce the visual impact of the removal of the Ash.
