To receive Declarations of Interest.
- 3 District Council Members**
It is formally noted that the participation of those Councillors who are also members of the East Devon District Council in both the debate and subsequent vote is on the basis that the views expressed are preliminary views taking account of the information presently made available to the Town/Parish Council. The District Councillors reserve their final views on the application until they are in full possession of all the relevant arguments for and against.

4 Applications for consideration

Town and Parish Councils are Statutory Consultees to the Local Planning Authority and as such do not make decisions apart from applications for advertising consents and trees. The Town Council's Planning Committee is required to make known its willingness to support, or not, planning applications based on local knowledge and current planning policies in order that these views can be taken into account when the decision is made by the District Council as Planning Authority. In accordance with Sidmouth Town Council Standing Orders Item 1(d) – (i) Members of the public may speak on each planning application on the agenda for up to three minutes. A Leaflet is available explaining the process.
