**287 Minutes**

The Minutes of the Planning Committee meetings held on the 28 November 2018 were signed as a true and accurate record.

**288 District Council Members**

It was formally noted that the participation of those Councillors who are also members of the East Devon District Council in both the debate and subsequent vote is on the basis that the views expressed are preliminary views taking account of the information presently made available to the Town/Parish Council. The District Councillors reserve their final views on the application until they are in full possession of all the relevant arguments for and against.

**289 Applications for consideration**

RESOLVED: That in respect of the Planning Applications set out below and attached, representations to the manner in which they should be determined, be made known to the East Devon District Council in accordance with schedule 16 of the Local Government Act 1972.

**Tree Applications for Decision**

- a) 18/2474/TRE Mr Evans 101 Peaslands Road, Sidmouth, EX10 8XE. T1, ash - reduce second and third order branches by approximately 1.5m to a suitable pruning position with cuts no larger than 75mm. Reason to relieve weight on decayed base. T2, ash - fell. Poor suppressed form.

**APPROVE** subject to the conditions set out in the Arboricultural officer's report.

- b) 18/2544/TRE Sidford Mr P Aldam 87 Sidford High Street, Sidford, Sidmouth, EX10 9SA. Monterey Pine (621, 622 & 623) - Ward fell and replace.

**REFUSE** for the following reasons:

Reasoning - The works have not been fully justified, it is agreed that the loss of the 4th tree has left the southern part of the group bare, it is hoped this will grow in time as will the replacement for the fourth tree. The long-term view being taken at this stage is to maintain the group of trees for as long as possible to allow the new tree to grow, if the health of these trees becomes an issue this can be dealt with in the future. All trees loose some minor debris during their lifetime, the benefit the trees give to the local area and environment counteracts this. These trees are in good health and have good public amenity

- c) 18/2545/TRE Sidford Mr P Aldam 87 Sidford High Street, Sidford, Sidmouth, EX10 9SA. Monterey Pine (621, 622 & 623) - Ward Remove deadwood; crown lift to 5m; crown reduce by 1.5m and reduce extended branches to match neighbouring crowns.

THIS IS A **SPLIT** DECISION (a part of the application has been refused and a part approved).

The Council hereby **APPROVES** permission to carry out work described below subject to the following conditions:

an overall crown reduction of no more than 1m, target pruning cuts no greater than 60mm in diameter, the over-extended limb in T621 to be reduced by 1.5m, removal of deadwood.

1. The works hereby consented to shall be carried out in accordance with British Standard 3998: 2010 (Tree Work - Recommendations).  
(Reason - In the interests of amenity and to ensure the works are carried out in a satisfactory manner.)
2. The works hereby consented to shall be carried out within a period of 2 years from the date of this decision notice.

(Reason - To ensure that the works are carried out within a reasonable period of time.)

The Council hereby **REFUSES** permission to carry out work described below for the following reasons:

crown lift to 5m, crown reduce by 1.5m and reduce extended branches to match neighbouring crowns

Reasoning: The three trees have always grown as a group, recently losing the main tree in the group, the crown lifting to 5m would open the trees up to the prevailing winds and reduce the natural remaining shape of the tree. The crown reduction of 1.5m is excessive, the extended limbs have no major defects and are part of the character of this type of tree, and the works were not fully justified. The works, particularly a 5m crown lift will reduce the natural shape and amenity of the trees.

- d)                      18/2409/TRE                      Mr Cowie                      3 Bramble Close, Sidmouth, EX10 9XY. Holly (T1) Crown reduce by 1m from branch tips to deliver balanced rounded crown. Remove elm sapling at base of tree within hedge and brambles to improve amenity of hedge and tree.

**APPROVE** subject to the conditions set out in the Arboricultural officer's report.

**299                      Unsupported Decision**

18/1779/MFUL Green Close, Drakes Avenue, Sidford, Sidmouth, EX10 9JU. Demolition of former residential care home and construction of 39 sheltered apartments for the elderly including communal facilities, access, car parking and landscaping.
