The meeting started at 8.25pm and finished at 8.30pm.	

PART 'A'

19 Minutes

The minutes of the Trustee meetings held on Monday 4 October 2021 were signed as a true and accurate record.

20 Declarations of Interest

There were no Declarations of Interest received for items on this agenda.

21 Confirmation of Delegated Decision

Members were asked to confirm the following permission delegated to the Chair, Vice Chair and Town Clerk:

Justin Nicholas, Climb South West, to run an event using the field on 19-20 Mar 22

The event will involve runners completing 5.35km loops, all on public footpaths around the Salcombe valley and Salcombe hill. They will have an hour maximum to complete each loop and be ready to start the next one. Event would start at 9am on Saturday and run for a maximum of 36 hours, with all runners finished by 9pm on Sunday. (Local landowners and residents on the course will be contacted in advance)

4 loops (4 hours) will see runners completing a half marathon distance and climbing 1000m.

8 loops will be a marathon and 2000m

16 loops will be a double marathon and 4000m

30 loops will be 100 miles

36 loops (if anyone makes it to the finish) will involve climbing just over the height of Everest!

Car parking had been arranged at the Norman Lockyer Observatory, so would only have staff parking at the scout hut. No cars would enter the grass area and we'll ask all participants/supporters not to park in the lane.

RESOLVED: That permission to use Salcombe Regis Recreation Field for a Climb South West event on 19-20 March 2022 be confirmed.

22 Use of The Ham – Checkpoint on Jurassic Coast running/walking event 12 June 22

Justin Nicholas of Climb South West had written to request permission to use The Ham on Sunday 12 June 2022.

They had previously used the Ham field as a checkpoint / aid station for runners and walkers passing through on their Jurassic Coast event. The participants would be completing a range of distances, and some were undertaking the challenge to fundraise for their chosen charities while others were participating just for the sporting challenge. They would like to position a gazebo on the green near Alma bridge between the hours of 6am and 6pm.

RESOLVED: That permission be granted to Climb South West to position a gazebo on The Ham from 6am to 6pm on 12 June 2022, to be used as a checkpoint/aid station for runner and walkers passing through on the Jurassic Coast event.
