159 Minutes

The minutes of the meeting of the Planning Committee held on Wednesday 15 October 2025 were agreed and signed as a true and accurate record.

On further consideration of application 25/1448/TEC, Blackmore Health Centre, which had an observation of DO NOT SUPPORT, Members resolved to delete reference to Policy 2 of the Sid Valley Neighbourhood Plan as the proposed development would not interfere with the protected view. However, the inclusion of an additional storey would impact on the environmental quality of Blackmore Gardens, which included Peacock lawn immediately adjacent, contrary to Policy 1 of the Neighbourhood plan as well as causing loss of light to the properties in May Terrace contrary to Policy 6. Members did not wish to amend the further reason for not supporting the application b) Housing Mix and Affordability remains unchanged.

Sidford Ward Witheridge Change of use of guest house (use class C1 hotels) to form single independent dwellinghouse (use class C3 dwellinghouses).

DID NOT SUPPORT:

South Ward Morgan Demolition of existing garage, Construction of a 4 bed detached dwelling with garage, parking and associated infrastructure.

OBJECT

Members were concerned that the proposal did not enhance or preserve the Conservation Area, the character of which predominantly comprises large houses on large plots. South Ward Murphy Construction of a detached carport; alterations to fenestration and replacement windows on main dwelling; widening of access and replacement wrought Iron gates to match the existing.

DID NOT SUPPORT:

Members maintained their concerns regarding the proposed location of the carport/garage, as they considered it detracted from the symmetry of the property. They noted that the original Sampson designs positioned the garages at the bottom of the drive to preserve the visual balance of the house, and Members suggested that this arrangement should be retained. They also requested that the applicants preserve the original design of the detailed flint pitched tops on the entrance pillars, as these were an important feature of the street scene.
