SIDMOUTH COLLEGE ALUMNA RETURNS HOME: BLANK CANVAS LAUNCHES EXCLUSIVE WORKSHOP IN COLLABORATION WITH DUKES

Sidmouth College Alumna Returns Home: Blank Canvas Launches Exclusive Workshop in Collaboration with Dukes

Blank Canvas, a creative venture founded by Sidmouth native Natasha Howson, is bringing a much-anticipated festive session back to her hometown.

Following a series of sell-out November workshops in Exeter, Natasha is now offering an exclusive, one-off Christmas workshop in collaboration with the popular Dukes venue in Sidmouth.

The special event, **Baubles and Brunch**, is designed as a purposeful escape from the Christmas rush, a chance to switch off, connect with friends, and enjoy the therapeutic process of creating.

***"The Blank Canvas's ethos is centred on using art as a way to slow down and reconnect,"** says Natasha. **"I grew up right here in Sidmouth** and went to Sidmouth College, and it's a joy to bring this mindful creativity back to the community, especially by partnering with a fantastic local spot like Dukes. You absolutely do not need to be an artist to join! It's all about taking time for yourself, getting friends together, and switching off while creating something truly beautiful and unique for your home."*
