

you th @ Sidmouth

A directory of clubs in the Sid Valley

An Introduction

Sidmouth Town Council is committed to supporting young people and ensuring that the Sid Valley is a great place to grow up. We do this by providing youth services and funding some mental health and wellbeing support for young people and their families. The Town Council also acts as an information point for activities and events taking place in the Sid Valley, including those involving young people.

We are lucky that the Sid Valley offers a great range of things to do for young people of all ages, but it can sometimes be difficult to find out exactly what is going on. That's why Sidmouth Town Council, in partnership with local schools and activity providers, has introduced a new initiative to help young people to access the wide range of clubs and activities available in across the local area.

At the heart of this initiative is the Sidmouth Youth Hub, a directory that signposts young people to clubs, events and activities, making it easier than ever to find activities that match their interests.

Whether it's sports, arts, music, or community projects and events, the directory provides clear guidance on what's on offer and how to get involved.

For young people who may need financial help to access a particular activity, the Town Council is also launching the **Get Involved Grant** scheme, helping individual young people with costs such as membership fees and equipment.

By working together, Sidmouth Town Council, local schools, and community activity providers are committed to making sure every young person has the opportunity to develop new skills, build friendships, and discover passions to last a lifetime.

ARMY CADETS

SIDMOUTH DETACHMENT

Devon Army Cadets is open to all young people aged 12-18 years.

We undertake a variety of activities including fieldcraft, navigations, first aid, communications and drill, and cadets can gain recognised awards (e.g. Duke of Edinburgh) and qualifications (e.g. BTEC).

We meet at Sidmouth Cadet Centre, Chamber Close, Sidmouth, Devon EX10 9YL on Monday and Wednesday evenings - 19:15 to 21:15

We also run competitions and camps throughout the year.

Get in touch if you are looking to have fun, make friends and grow your confidence.

No membership subscription - subsidised activities - free uniform

BEAVERS

6 to 8 years

Try new things

& make friends

Tuesdays & Wednesdays

cubs

8 to 10 ½ years

Master new skills,

have adventures

Monday & Thursdays

SCOUTS

10 ½ to 14 years

Explore the world.

Fridays

EXPLORERS

14 to 18 years

Take the lead,

embrace change.

Wednesdays

network

18 to 25 years

Be the best you can be.

Saturdays once a month

Open to everyone, Scouts support young people to enjoy adventurous activities like climbing, archery, hiking, camping, to enjoy working together to support each other, their community, and their world. Scouts help children and young adults reach their full potential.

Scouts develop skills including teamwork, time management, leadership, initiative, planning, communication, self-motivation, cultural awareness, and commitment. We help young people to get jobs, save lives, DofE volunteering placements and even change the world!

Please get in touch if you would like to volunteer with us “Good for you and Good for Young People”

We welcome enquiries from young people at any time - we will offer you a space as soon as we can.

£35 per term. Financial support available.

ROYAL AIR FORCE AIR CADETS

the next generation

We are a diverse and inclusive youth organisation, sponsored by the Royal Air Force, that is keen to embrace opportunities in Air, Space and Cyberspace. We hold national, regional, and local camps as well as focused activities and experiences in flying, gliding, sport, adventurous training, drill, target shooting and cyber skills among others. We also can help you academically with BTECs in Aerospace Studies and Space Studies.

Air Cadets encourage a practical interest in aviation and the Royal Air Force but there is no obligation to join the Services. The skills you can gain can help you with whatever you want to do in life.

We always seek to encourage the spirit of adventure and develop qualities of leadership and good citizenship. That includes being able to communicate clearly, work as a member of a team, enhance social skills and accept diversity.

COST

£10 per month - free uniform. Financial support available.

Sidmouth Bell Ringers

Bell ringing (or 'campanology' as it is officially called) is an addictive hobby involving lots of teamwork.

What's involved - Beginners start with one-to-one tuition in the tower of the parish church progressing on to join in general bell ringing practice on Tuesdays from 7.30 – 9.00 pm

Age – anyone from about 12 years upwards.

Physical strength – very little, but sufficient fitness is required to climb up and down the tower stairs.

Commitment – bell ringers provide a service so that (once trained) turning up regularly to support Sunday service ringing is important, but church service attendance is optional.

Once you are part of our fun team you ***must*** show commitment to support Sunday ringing where you will be needed and appreciated.

● Come along to our Taster session on Saturday April 5th from 2-4pm at Sidmouth Parish Church ● Booking is essential ● Accompanying adult welcome. ● An opportunity to visit the bell tower ● View the bells ● Meet some of the bell ringers and find out more about what is involved in learning to ring Refreshments provided.

Free but donations are appreciated

Sidmouth Coastal Community Hub

Sidmouth Coastal Community Hub (SCCH) is a grassroots organisation whose vision is to connect and engage people with the sea and coast in ways that value people and where we live. We are a coastal hub that brings people together through our creative workshops, art and environment projects and our annual festival Sea Fest.

We aim through art, culture, heritage, and environmental projects to promote a sustainable, creative and community approach to

We are producers of **SIDMOUTH SEA FEST**, a homegrown festival that takes place in May, kicking off the festival season. We offer a free community day with plenty of creative activities to have a go at – suitable for ages 5 to 25 years, in our Creativity on the Coast area, plus community and schools' choir, live music, DJs, local food and much more.

Part of our approach is to provide a 'rising stars' platform to perform for local young people to gain experience and build confidence to play live on stage or gain DJing experience in our Clamship art and dj installation.

We do this through our Grassroots Music programme called Sea Spot – a place by the sea to have a spot and get spotted!

Sidmouth & Ottery Hockey Club

Fast, fun and a great way to meet new friends. Why not come and play hockey? Sidmouth & Ottery Hockey Club provides opportunities for children aged 7 upwards to play hockey in a safe, friendly and fun environment.

With regular training sessions on Sunday mornings from September to May, in Sidmouth (Sept-Dec) and Ottery (Jan-May), run by accredited coaches and volunteer helpers, we offer two-weeks 'free' to see whether hockey is the sport for you! We enter teams into the Devon Junior Tournaments for age groups U8 (Mixed), U10, U12 & U14 (Boys & Girls) and we arrange friendly matches for our U16 with other clubs.

We run 'tasters' as part of our regular training sessions, with two weeks 'free' to try it out.

Minimum kit requirement: Shin pads (footie ones will do) and a mouthguard. We have hockey sticks available to borrow.

We also run hockey camps during the school holidays - these are paid for separately.

£70 for a full season (Sept-May)

FUNKIFEET *Studios*

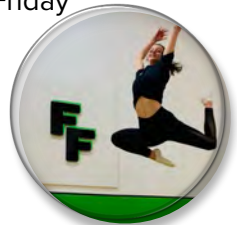

FUNKIFEET offer classes for all ages – from 18 months to adult – covering a variety of genres including jazz, tap, ballet and acro.

We love seeing our students grow in confidence, learn new skills, and discover how much fun dancing can be!

Over the past 20 years, Funkifeet Studios has been the setting for everything from first steps and first cartwheels to students taking their first exams, adults taking their first dance lessons and even a first-time Crufts competitor and her dog working on their routine!

Many dancers have been with us from preschool age right up to becoming young adults, and many lifelong friendships have been made on our dance floor! We hold classes from Monday - Friday in our studio at Alexandria Industrial Estate.

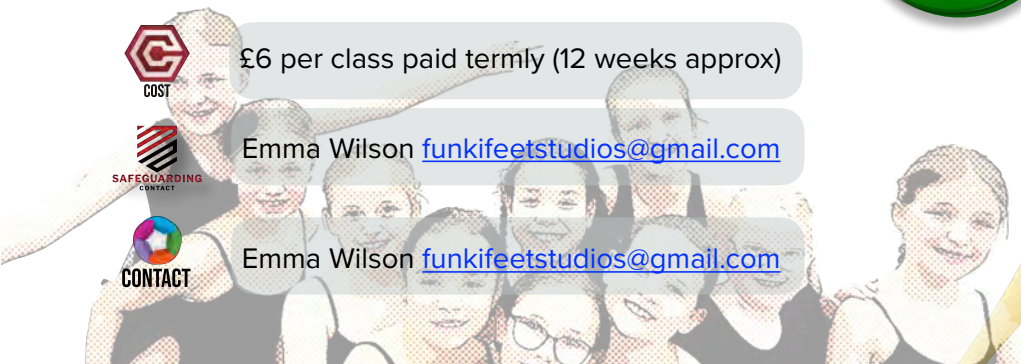

£6 per class paid termly (12 weeks approx)

Emma Wilson funkifeetstudios@gmail.com

Emma Wilson funkifeetstudios@gmail.com

Sidmouth School of Art designs and delivers art and cultural projects working with a variety of artists, individuals, schools, and community groups to learn new skills, build creative confidence and make new art works.

We have exhibition spaces at Sidmouth Wall space an outdoor public gallery billboard at the Ham carpark, Sidmouth Micro Museums of Contemporary Art, and Antiquities – phone boxes in the Market Square, Sidmouth and Riverside Art Space at the Sensory Garden.

Our workshops and ways to get involved are different according to the project, some are age specific for primary school age, some are secondary school and older young people up to 25 years. All are inclusive and open to all.

At Sidmouth School of Art we believe everyone is creative but that sometimes if we feel we cannot draw or paint then we are not 'arty'. We aim to build creative confidence and break down those barriers to tap into your creativity. We work in an expressive, have fun, be curious and see what happens way to help unlock potential and boost wellbeing.

FREQUENTLY ASKED QUESTIONS

How does Sidmouth Town Council support young people in the Sid Valley?

Sidmouth Town Council supports young people by providing youth services and funding some mental health and wellbeing support for young people and their families. The Town Council also acts as an information point for activities and events taking place in the Sid Valley, including those involving young people.

What is the Get Involved Grant?

The Get Involved Grant scheme provides funding for young people in the Sid Valley to access clubs and societies they might otherwise not be able to afford. The grant scheme will go live on 1st September 2025 for an initial period of one year.

Does my child qualify for the Get Involved Grant?

To qualify for a grant, students must be aged 11 – 18 on 1st September 2025 and resident in the Sidmouth Town Council area. There are also certain other eligibility criteria to ensure that funds go to those most in need. Your child's form tutor can provide more details, or you can go to the Town Council website for further information.

Are there any rules about what the Get Involved Grant will and won't pay for?

The grant scheme mainly finances the primary cost of taking part in activities. This might include membership fees, clothing, equipment or local travel costs. Sidmouth Town Council would not normally fund trips outside the South West, activities that take place in a school setting or where alternative sources of funding are available through another body, e.g. Sport England. Grant funding will normally be capped at £250 per person with most awards under £100.

Sidmouth Town Council retains the right to make or not to make any individual award in its absolute discretion.

FREQUENTLY ASKED QUESTIONS

How does my child access the 'Get Involved Grant'?

If your child attends a local school, contact the school office who will ensure your query is handled by the correct person.

My child doesn't go to school. Can they still access the grant scheme?

Yes. Please contact Sidmouth Town Council directly for information.

I don't think I qualify for a Get Involved Grant. Are there other sources of funding available to help me get involved?

There are various organisations who provide funding to improve access to certain activities. Your chosen activity provider should know what alternatives are available.

What about Safeguarding and Health & Safety?

Parents and Guardians should always contact their chosen provider directly to satisfy themselves with regards to safeguarding and health & safety policies and practices.
